

# Course Description - All Lines Insurance Adjuster

## ALL LINES Insurance Adjuster Licensing Course

The TX Resident Adjuster license is considered the most valuable adjuster license in the country. Over 30 states recognize this license via reciprocity thus allowing an adjuster to enjoy a nearly nationwide scope of operation as long as any unique state regulations are also met. This broad license make an adjuster much more valuable.

The All Lines Resident Adjuster License is the broadest adjuster license available and allows the adjuster to work with the following types of losses:

• Residential – this is homeowners and fire policies and is primarily dwelling risks

• Commercial – business property, churches, schools, etc.

• Auto – both personal and business auto

• Farm and Ranch – animals, crops, buildings,

• Inland Marine – valuable objects, cargo, docks, piers, bridges, transmission lines

• Ocean Marine – vessels for transportation, hull insurance, yacht policies

• Workers Compensation – Covers the Texas WC certification

Benefits of using 360training:

• Take the course and final exam online. No need to travel to TX and go to a testing center. 360training.com, Inc was one of the first providers to earn the Texas Department of Insurance certification to offer the adjuster license online.

• Live Instructor Help Desk provides valuable help, especially for our out of state students who need help with the TX fingerprint requirements, finding the correct application form, along with help on content questions.

• Certificate of completion available immediately after passing. Clear instructions provided on ordering your TX license.

• To maintain the Texas All Lines Adjuster license you will need to meet the 30 hour TX CE requirement every two years.

Curriculum mandated by the Texas Department of Insurance:

• Insurance terms and concepts

• Personal Lines Coverage's

• Commercial Lines

• Automobile Coverage's

• Inland Marine

• Ocean Marie

• Marketing Practices

• Standard Fire Policy

• Adjuster Bonds

• Additional Coverage's, Exclusions and Extensions

• Adjuster Practices

• Adjuster licensing requirements

• Workers Compensation

Final Exam:

• 150 question multiple choice exam. Passing grade of 70% required.

• 70 % of questions are application based & 30% memory

• Monitored 2 ½ hr exam. You select a disinterested 3ed party and test at your computer, not an exam site! Monitor affidavit is required.

Instructor Connect \* Direct access to an in-house insurance expert and instructor to answer your questions about course content or the insurance licensing process. Our live instructor help desk is available to you from 8:30am to 4:30pm CST by phone and email (voicemail and email responded to within 24 business hours). Valid for 30 days from the date of enrollment.

Give yourself a winning edge. Put a Live Instructor at your side. This service gives phone and email access to our in-house insurance experts. You will receive an email with instructions on how to access the following services:

• Licensing Exam Prep Assistance: Guidance on test taking strategies, examination procedures and supplemental materials to help you pass your exam.

• Licensing Exam Remediation: If you are unsuccessful in your first attempt at passing the state exam, send your test results to the instructor. Your results will be analyzed and a personalized remediation plan will be delivered to you (by email) to guide you on which areas to study up on and get back on track to pass your exam.
